Sterling "Fractal Cloud" Pool Cue

Model : STDSFD

Manufacturer : -

This cue is designed with a light cloud-like pattern on an aqua background. The design extends the entire length of the cue, and has an unwrapped grip area. The joint is polished stainless steel. There are silver rings at the joint and at the butt cap. The medium-hard tip resembles a Le Pro, and is on a 13mm ferrule. The hard rock maple shaft has a pro taper. Retail price: \$65
